

ICAHN Professional Education Services

Your *FIRST* choice for continuing education and workforce development programs

Through **ICAHN Professional Education Services**, critical access hospitals and rural healthcare providers can participate in workshops, webinars, or independent study developed *specifically* for you.

Through our 12-month pre-paid subscription service you will receive:

- 24/7 access to all ICAHN Professional Education Services webinars
- Unlimited staff participation for live and recorded webinars
- Record-keeping of certificates issued to your hospital
- Discounts on select ICAHN workshops
- Personal and friendly customer service

Our robust schedule features:

- Multi-disciplinary and nursing education, including evidence-based clinical practice, nurse leadership series, and nurse residency program
- Workforce development webinars for all staff
 - *Supervisory Skills Series*
 - *Effective Mentoring Series*
 - *Customer service and patient engagement webinars*
- Human resource virtual conference
- ICAHN workshops, including the Executive Leadership Series, Cybersecurity Workshop, and Mental Health Workshop
- Discounts on select HomeTown Health University financial and business office courses
 - *School of Revenue Cycle Management*
 - *Patient Financial Services/Business*
 - *School of Health Information Technology*
 - *School of ICD-10 Preparedness*

It's never been easier to access **high-quality, convenient, and cost-effective training.**
