

# Springfield Region HCC CPGs (IL)

## 3. Recommendations sorted by Priority Report

The **Recommendations sorted by Priority Report** shows the ASPR/CDC priority recommendation for each Function sorted by priority recommendation, highest priority first.

Note that the priority recommendations are based on a formula combining the Function Current Status and Function Importance as self-reported by the jurisdiction in the CPG template. These recommendations are for planning purposes only, and there may be other factors which might impact the actual priority.

# Springfield Region HCC CPGs (IL)

Recommendation Key: Very High Priority High Priority Medium Priority Low Priority Sustain No Recommendation

Build			
Capability	Function	Function Importance	Function Current Status
2. Healthcare System Recovery	2. Assist healthcare organizations to implement Continuity of Operations (COOP)	5. Critical	3. Some ability
1. Healthcare System Preparedness	6. Improve healthcare response capabilities through coordinated exercise and evaluation	4. Highly important	3. Some ability
2. Healthcare System Recovery	1. Develop recovery processes for the healthcare delivery system	4. Highly important	3. Some ability
5. Fatality Management	2. Coordinate surges of concerned citizens with community agencies responsible for family assistance	4. Highly important	3. Some ability

Build			
Capability	Function	Function Importance	Function Current Status
1. Healthcare System Preparedness	2. Coordinate healthcare planning to prepare the healthcare system for a disaster	5. Critical	4. Significant ability
6. Information Sharing	2. Develop, refine, and sustain redundant, interoperable communication systems	5. Critical	4. Significant ability
10. Medical Surge	1. The Healthcare Coalition assists with the coordination of the healthcare organization response during incidents that require medical surge	5. Critical	4. Significant ability
14. Responder Safety and Health	2. Provide assistance to healthcare organizations with access to additional Personal Protective Equipment (PPE) for healthcare workers during response	5. Critical	4. Significant ability
1. Healthcare System Preparedness	1. Develop, refine, or sustain Healthcare Coalitions	4. Highly important	4. Significant ability
1. Healthcare System Preparedness	3. Identify and prioritize essential healthcare assets and services	4. Highly important	4. Significant ability
1. Healthcare System Preparedness	4. Determine gaps in the healthcare preparedness and identify resources for mitigation of these gaps	4. Highly important	4. Significant ability
1. Healthcare System Preparedness	5. Coordinate training to assist healthcare responders to develop the necessary skills in order to respond	4. Highly important	4. Significant ability
3. Emergency Operations Coordination	1. Healthcare organization multi-agency representation and coordination with emergency operations	4. Highly important	4. Significant ability
3. Emergency Operations Coordination	2. Assess and notify stakeholders of healthcare delivery status	4. Highly important	4. Significant ability
3. Emergency Operations Coordination	3. Support healthcare response efforts through coordination of resources	4. Highly important	4. Significant ability
3. Emergency Operations Coordination	4. Demobilize and evaluate healthcare operations	4. Highly important	4. Significant ability
5. Fatality Management	1. Coordinate surges of deaths and human remains at healthcare organizations with community fatality management operations	4. Highly important	4. Significant ability
6. Information Sharing	1. Provide healthcare situational awareness that contributes to the incident common operating picture	4. Highly important	4. Significant ability

# Springfield Region HCC CPGs (IL)

10. Medical Surge	2. Coordinate integrated healthcare surge operations with pre-hospital Emergency Medical Services (EMS) operations	4. Highly important	4. Significant ability
10. Medical Surge	3. Assist healthcare organizations with surge capacity and capability	4. Highly important	4. Significant ability
10. Medical Surge	4. Develop Crisis Standards of Care guidance	4. Highly important	4. Significant ability
10. Medical Surge	5. Provide assistance to healthcare organizations regarding evacuation and shelter in place operations	4. Highly important	4. Significant ability
14. Responder Safety and Health	1. Assist healthcare organizations with additional pharmaceutical protection for healthcare workers	4. Highly important	4. Significant ability
1. Healthcare System Preparedness	7. Coordinate with planning for at-risk individuals and those with special medical needs	3. Important	3. Some ability
5. Fatality Management	3. Mental/behavioral support at the healthcare organization level	3. Important	3. Some ability
15. Volunteer Management	1. Participate with volunteer planning processes to determine the need for volunteers in healthcare organizations	3. Important	3. Some ability
15. Volunteer Management	2. Volunteer notification for healthcare response needs	3. Important	3. Some ability
15. Volunteer Management	3. Organization and assignment of volunteers	3. Important	3. Some ability
15. Volunteer Management	4. Coordinate the demobilization of volunteers	3. Important	3. Some ability
