ICAHN SPONSORSHIP AND BUSINESS PARTNER PROGRAM OPPORTUNITIES

Sponsorship and Business Partner Program

The Illinois Critical Access Hospital Network represents 57 member hospitals throughout Illinois. Collectively, these hospitals represent:

- \$2.15 billion in gross revenue
- 2,500 Providers
- 10,500 Employees

ICAHN welcomes the opportunity to establish business relationships with companies, organizations, and consultants as a means to provide education and training, valued business services and important cost savings to our member hospitals and the network.

Our sponsors and partners may participate in ICAHN activities and support the network through participation in the following four options:

EVENT SPONSOR

As an ICAHN Event Sponsor, your business will have the opportunity to promote your services through interaction with event attendees as an exhibitor at an ICAHN event. ICAHN hosts more than 40 peer network meetings, workshops, and other educational events each year. ICAHN event sponsors may participate in individual events as they choose. An event sponsor application is made available for each event hosted by ICAHN.
