## **Best Practices in Nursing Documentation: Protecting yourself against liability**

A BARBARA A. WEINER WEBINAR

**Wednesday, April 17th**  
**Webinar: 11 a.m.-12:00 p.m. CST**

***Make sure your nurses know that the patient record never lies and never dies. Good documentation will protect you, your patient, and your organization in the event of a malpractice action.***

### **Topics for this live webinar include:**

- Why documentation is important
- How to document properly
- Key elements in nursing documentation
- Understanding malpractice and how to avoid it
- Recording adverse events
- Do's and don'ts of record keeping
- Understanding issues raised by the EHR

***If staff is unable to attend this webinar, please note that it will be recorded and will be available for up to two months after the program is scheduled.***

**Register/pay online at:**  
**[www.icahn.org/  
professional-education](http://www.icahn.org/professional-education)**

## **Featured Speaker:**

Barbara A. Weiner, J.D. has practiced health law for more than 30 years. She represents many critical access hospitals and individual healthcare providers. She is a past president of the Illinois Association of Healthcare Attorneys. Her webinars are known for their practical advice. Barbara provides a comprehensive handout and discusses everything in a clear, concise manner. The examples she gives are ones you are likely to encounter in your work.

## **Fee Schedule:**

**\$300 per organization  
-or- \$100 per individual**

*Cost is \$300 per organization for an unlimited amount of participants at each registering organization. Cost is \$100 per individual registrant.
