

2025

ICAHN ECONOMIC SUMMIT **BUILDING THE FUTURE**

REGISTER HERE

The 2025 ICAHN Economic Summit brings together rural healthcare leaders, businesses, and community partners to generate ideas and create actionable plans that strengthen economic development in rural communities.

The intended audience for this Summit includes the following:

- Rural Hospital CEOs
- Rural Healthcare Leaders
- Community Stakeholders
- Rural Health Advocates
- Board Members
- Community Outreach Professionals

The goal of this Summit is to take the first steps into unexplored possibilities that can be achieved with the ongoing collaboration between healthcare and community stakeholders. Rural communities require both economic development initiatives and a strong healthcare system to grow and sustain a happy and healthy population.
